This matter was set for a status conference on May 18, 2012. That hearing was set prior to re-assignment of this matter to the Honorable Charles R. Breyer and the May 18, 2012 hearing was vacated. The parties stipulate to set a status hearing before Judge Breyer on June 20, 2012, at 2:00 pm.

The Indictment in this case alleges that the defendant conspired with others to file false claims. The government provided discovery at the defendant's initial appearance and will supplement that discovery after obtaining a protective order regarding the remaining discovery. The defendant continues to review the materials provided by the government.
